Reporting Achievement to Parents

The school monitors closely the progress of every student and reports to parents/carers on a very regular basis. The intention is that contact with parents/carers is made in every term of the student's life in school via the following:

- Progress Day
- Subject Parents' Evening
- Review Sheets
- Reports

Every term we collect data on attainment, progress and attitude. Data on students can be viewed on the SIMS Learning Gateway (SLG) accessed through a secure log-in via the school's website.
